Kent Valley Figure Skating Club Test Rules

1. A skater must be a USFSA member to participate in testing.
2. If you are not a home-club member of KVFSC, a letter verifying your club standing and that you are qualified to test with the Kent Valley Figure Skating Club is required; may accompany your application or may be submitted via e-mail to seattlemsw@gmail.com.
3. In the test application fees box, add up all fees, including test fees, a \$5.00 food fee (used to purchase food for the judges), and a \$20.00 fee if you are not a KVFSC club member or are not testing as a partner of a KVFSC club member.
4. This form must be completed and submitted with the appropriate test fees at least THREE WEEKS PRIOR TO THE TEST DATE REQUIRED. If postmarked after the 3 week deadline, a late fee of \$25 will apply. Testing is not guaranteed if received after the deadline.
5. There will be NO REFUNDS for tests cancelled after the test schedule has been posted, except with proof of illness, injury or accident. Refund requests must be accompanied by a doctor's letter. A request to move a test to a later date after the test schedule is posted will be considered a cancellation; a new test form and fees must be submitted.
6. If a skater is taking a contingent test and fails the underlying test, the contingent test fee will not be refunded or credit for future test.
7. The test applicant (or parent/guardian if under the age of 18) is responsible for any bank charges resulting from returned checks and must pay any such charges within three day notice.
8. Test applications filed by KVFSC home club members before the application deadline have placement priority over applications filed by all other applicants, and test applications filed by KVFSC associate club members before the application deadline have placement priority over non-members. However, all applications filed prior to the application deadline have placement priority over late applications. Late applications are accepted on a first come, first serve basis but are placed only if time allows, the late fee is paid, and the required judges are available.
9. Please plan to arrive 1 hour earlier than scheduled test start time - test session may run ahead of schedule. It is your responsibility to know when you are testing.
10. Test application fees are refundable if the test session is not held. If the KVFSC cancels a test session for any reason, the test applicant will have five days after notice of the cancellation of the test session to exercise an option (in writing to the test chairman or by email) either to receive a refund or receive a carryover credit for the same test(s) at the next scheduled test session.
11. The applicant parent/guardian acknowledge that this application is subject to the terms and conditions of Kent Valley Figure Skating Club Test Rules and per USFSA Rules agree to hold harmless the USFSA, the KVFSC, Board Members of the KVFSC, Test Chair of the KVFSC, and the ice facility at which these tests are being conducted from any and all loss, damage and/or injury that may be sustained by anyone in any manner while participating in this test session.
